SUPPORT LOCAL BASKETBALL | GROW YOUR BRAND | MAKE A DIFFERENCE

MORE THAN A CLUB. A COMMUNITY.

For more than 60 years, Irymple Tigers Basketball Club has been bringing local players, families, volunteers and supporters together through basketball. We are proud to be family focused, community minded and committed to running a club our members and sponsors can be proud to represent.

SINCE 1965

Proud Sunraysia history

A proud local club

Irymple Tigers Basketball Club is a constituted, incorporated and not for profit sporting organisation affiliated with Basketball Victoria and the Mildura Basketball Association. **As one of Sunraysia's largest and most active basketball clubs, we pride ourselves on creating a welcoming, inclusive and supportive environment for players and families.**

Our primary objective is to provide local children and young people with the opportunity to learn, develop and compete in basketball in a positive environment. Through basketball we encourage teamwork, discipline, confidence and resilience, helping our players grow both physically and socially.

DEVELOPING OUR PEOPLE

Every Tigers team is supported by a volunteer coach and team manager. The club provides ongoing support, guidance and resources, and encourages coaches to undertake formal accredited coaching development.

Our development pathway has seen Tigers players progress to representative basketball including Mildura HEAT, Vic Country, State and National level competitions.

A TRUE COMMUNITY CLUB

Our coaches, managers and committee members volunteer their time because they believe in the club and the opportunities community sport creates for young people.

That family spirit is central to who we are. We want players to feel supported, families to feel welcome and our sponsors to feel genuinely connected to the Tigers.

Why partner with the Irymple Tigers?

A Tigers sponsorship connects your business with our local community while helping create opportunities for young people through local sport. Depending on your package, sponsor recognition can extend across team photos, digital screens, our website, club team app, email communications, presentation materials, training apparel and club awards.

Your support has a direct impact. Sponsorship assists with player insurance, weekly court hire, playing uniforms, referee fees, trophies and awards, club functions, presentations and the continued development of our players, coaches and volunteers.

By partnering with the Tigers, you are not only supporting a basketball club. You are investing in local young people, local families and the future of our community.
